Credit & Debit Cards accepted

Easy Payment Option

On Tuesday 16th May and 13th June School Uniforms Direct will be visiting the incoming first year students of Scoil na Trionóide Naofa. On this day students can be fitted for their full uniform for the forthcoming school year and an order can be placed by paying a minimum deposit of €50 off the total bill.

Final payment and collection takes place on the selected August dates. It is very important that collections are made early in case some items require exchange for different sizes.

Frequently Asked Questions

How do I get my uniform?

Uniforms can be purchased online all year round from www.schooluniformsdirect.ie. School Uniforms Direct can also visit your school on a selected date(s) to fit and order your uniform. School Uniforms Direct will return at a later date to deliver your order.

What if I cannot visit the school on the collection day?

We suggest you give your docket to another parent or friend and ask them to pick up your package. Alternatively you can visit our shop or have it delivered by courier (delivery charges apply and parcel must be signed for).

How do I pay for my uniform?

Two options are available. Pay a minimum deposit (€50) on fitting day and continue to pay in instalments (via arranged dates or postal orders) until the day uniforms are delivered, final payment can be paid on delivery day.

Alternatively pay in full on fitting day and know your uniform is organised before the summer holidays even begins. Card and cash payments accepted.

My child is still growing, it is too early to fit for a uniform.

Here in School Uniforms Direct we have many years of experience fitting students with uniforms to fit for the full school year ahead and hopefully a little longer. With this experience we ensure to allow for growth over the summer time too. We ask you to trust our judgement and recommendations when we measure your garments larger than needed at the time of fitting. If you wish to change sizes upon collection that is no problem.

What if the uniform does not fit upon collection?

That is no problem! School Uniforms Direct keep stock of the full uniform and can exchange items on our next visit or in our shop if you wish to visit us. (Personalised garments cannot be exchanged or refunded.)

Can I get uniforms later in the school year?

Yes. School Uniforms Direct stock uniforms all year round. You can visit our shop or order from our website www.schooluniformsdirect.ie and have it delivered.

What is your returns policy?

Items can be returned within 30 days of purchase or school delivery with a valid receipt and goods unworn in original packaging with tags. Personalised garments cannot be exchanged or refunded.
